Professional Summary

Detail-oriented QA fresher with a strong foundation in manual testing, automation and software quality assurance. Experienced in test case design, defect tracking, and executing test cycles on web and mobile applications. Familiar with Agile methodologies, STLC, and defect life cycle. Strong ability to identify bugs and ensure high-quality software delivery.

Technical Skills

Testing: Manual Testing, Automation, Functional Testing, Regression Testing, Smoke Testing, UI Testing, TestNG, JMeter, Postman

QA Process: Test Scenarios, Test Cases, Test Execution, STLC, Defect Life Cycle

Defect Management: Bug Tracking, Severity & Priority, Jira

Tools: Jira, Git, SVN, Qt Creator, Populus, MS Excel

Debugging: GDB, Valgrind

Programming: C, C++, Python, SQL

Methodologies: Agile, Scrum

QA Projects

- Performed manual testing on live web applications including PSC Thulasi, Swag Labs, KAPCO and BlazeDemo,
- Designed 30+ test scenarios and 40+ test cases based on application requirements.
- Executed test cases and conducted Functional, Regression, and Smoke Testing.
- Identified and reported 15+ defects using Jira with proper severity and priority levels.
- Tracked and managed defects through the complete Defect Life Cycle.
- Prepared bug reports with clear reproduction steps and supporting details.
- Conducted exploratory testing on mobile applications (Instagram).
- Followed STLC phases: requirement analysis, test design, execution, and reporting.
- Participated on Crowd Beta testing for the company zartek technologies for the application Unarranged.

Professional Experience

Software Engineer

Oct 2021 – Aug 2023

Inntot Technologies Pvt. Ltd.

- Performed debugging, bug fixing, and validation of automotive applications.
- Identified memory leaks and logical defects using GDB and Valgrind.
- Ensured compliance with MISRA C++ coding standards.
- Supported QA team in test execution and defect validation.

Education

Pursuing Software Testing at Camerin Indian Institute of Upskill

Diploma in Computer Engineering at Govt Polytechnic College, Perumbavoor

CGPA: 9.06

Higher Secondary Education Govt Boys H.SS Perumbavoor

82%
